**MANAGEMENT NEWS:**

March 31<sup>st</sup> financials have gone out to the shareholders via email, if you did not get yours or you know of a shareholder that did not, please contact Kim in the office. Thank you

**WEEDS:** Even though you are going home for the summer the weeds will still be growing, even faster during this season. Please remember to have someone lined up that can take care of your flower beds and weeding while you are gone. Thank you

**FUN FACTS:** 1. Fact: There are parts of Africa in all four hemispheres

For people whose education was largely focused on the Western world, it may be surprising to find out exactly how huge the continent of Africa is. For instance, it spans all four hemispheres and covers nearly 12 million square miles.
